RE: ADDENDUM 1

1. This is to bring to your attention that the PBC contract documents the **FORM OF BID** for the Performance Based Section (Part A) is erroneously indicated as **Amount = (Unit Price per Km per Month) x 24 x total length of roads.**

The correct formular should read **Amount = (Unit Price per Km per Month) x 12 x total length of roads.** This is because the PBC period for the contract is 12 months as per the Appendix to Form of Bid and approved ARWP. The affected page is attached and the affected formula is highlighted in red.

2. VAT is erroneously shown as 16% instead of 14%

Below is the corrected form of bid.
