All prospective Bidders for Tender No. KURA/DEV/HQ/231/2020-2021 are advised of the following Questions and Responses in addition to clarifications done during the mandatory Pre-bid Conference and documented in the minutes already shared.

S/No	QUESTION OR COMMENT	RESPONSE
1.	(Staff Requirements) of clarifications not clear on which staff being made reference to. {The Consultant requests that a Bachelor's degree in economics or a B.Sc. Civil Engineering degree be considered to form part of minimum qualification for position of Transport Economist; The consultant requests that a holder of a B.Sc. degree and a Diploma in Hydrology and with over 5 years' experience in design and construction of major highway contracts of similar nature in hydrological issues in highway projects be considered for position of hydrologist}	It is acceptable for both the Transport Economist and Hydrologist as requested and clarified during the Pre-bid Conference for any equivalent or relevant field of Undergraduate Study.
2.	(Consultants' obligation on Training) of clarifications. Pending is the cost of Tuition. {The consultant requests to be provided with a schedule of the government-approved allowances that he would make use of to remunerate the 2 interns}	Consultant was to confirm details of interns remuneration/allowances from the Public Service Commission of Kenya
3.	KURA did not provide cost of tuition for the 3-week training course, as requested. {The Consultant is expected to pay for Tuition Fee for the Client staff during training at ESAMI. Kindly provide the Consultant with expected cost of Tuition for the Client's staff during the 3-week course.}	Consultant was to confirm tuition details from ESAMI
4.	Kindly clarify the level of detail required for the designs whether Preliminary or Detailed Engineering Design	Preliminary Engineering Design will be done at this stage

This clarification shall be deemed to be part of the RFP. All prospective bidders shall take note of the same. All other conditions in the RFQ remain the same.
