FOR IMMEDIATE RELEASE

PRESS RELEASE

CLOSURE OF THIKA SUPERHIGHWAY AT ALLSOPS

Nairobi, Wednesday, 18th September, 2019: In the last 3 months, we have endeavored to improve the connection between Outer Ring-Road and Thika Super-Highway at Allsops. This weekend on Saturday 21st and Sunday 22nd September marks the installation of the last beams across Thika Super- Highway on the outbound expressway. This means the section will be closed for traffic from 6 am- 6 pm and motorists heading to Thika will use the service lane as directed by traffic marshals.

Meanwhile, as we approach completion of Outer Ring-Road we urge members of the public to use this facility for the right purpose. We have observed regrettably that vandalism, illegal parking, dumping and illegal businesses is threatening public enjoyment of this important road infrastructure.

Members of the public are urged to use it for right purpose and warn those vandalizing public property that the law will catch up with them. We appreciate public cooperation, support and understanding as we strive to reduce traffic gridlock on our urban roads network.
