| 1   | Pre-Bid Site Visit                                           | If no site visit shall be organized by the Employer, please confirm that the Certificate of Tenderers visit to site is not a requirement for bidding purposes.                                                                                                                                                                                                                                                                                                                                                                    | As indicated in the Tender Notice, the site visit is not mandatory and will therefore not led to disqualification of a bidder.                                                 |
| 2.  | Bid Questionnaire                                            | The item is marked "Make copy and deliver to the Director General, Kenya Urban Roads Authority". Please confirm that this shall be submitted as a separate document.                                                                                                                                                                                                                                                                                                                                                              | It will not be submitted as a separate document.                                                                                                                               |
| 3   | Registration with National Construction Authority Category 1 | Kindly clarify whether it shall be sufficient for affected bidders to provide proof NCA certification for other ongoing projects in the class required by the Employer.                                                                                                                                                                                                                                                                                                                                                           | Provide proof of NCA certification for other ongoing projects in the class required by the Employer.                                                                           |
| 4   | Specific Construction experience                             | The works should be located within a "large busy city such as Nairobi" with at least one road work including bridge experience of minimum 500m. Kenya has only 3 gazetted cities i.e. Nairobi, Mombasa and Kisumu. The number of projects of the specified value that have been completed in these cities (including other large urban centers) within the specified period is highly limited. To make this criterion more accommodative, we humbly propose that you consider projects completed within the last seven (7) years. | This is applicable for even cities which are not within Kenya. Experience in similar cities worldwide. Projects completed within the last seven (7) years are also applicable. |
| 5   | Margin of Preference                                         | Please confirm that preference rules as stipulated by the Public Procurement and Disposal Act 2015 shall not be applicable.                                                                                                                                                                                                                                                                                                                                                                                                       | It will be applicable.                                                                                                                                                         |

| 1   | Form CR 12                                           | The tender Notice requires that bidders provide a certified Copy of recent CR 12 form generated through the system- (12 months) before opening date) from Registrar of Companies; failure to which the bidder shall be disqualified; The requirement for CR 12 is restated in the confidential business in the confidential business questionnaire and item 10 of the Appendix to instructions to Tenderers. Seeing that the bidding process is open to both local and foreign bidders, the requirement for Form CR 12 is clearly restrictive against the latter as it cannot be met by foreign bidders. Kindly confirm that this requirement shall not be applicable to foreign bidders. | As indicated CR 12 is a <b>mandatory</b> requirement for local bidders. Foreign bidders are required to provide an equivalent to CR12 with English translation.                             |
| 2.  | Audited Profit and Loss statements and Balance Sheet | Kindly clarify whether; Audited financial statements are required for the last 3 years or 5 years. Whether estimates of bidder's financial position for the current year and projections for the next 2 years are required.                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Audited financial statements will be required for the <b>last 3 Years</b> .
